A banner image for the Moodle Home page. The background is a photograph of a modern university building with a large entrance and a staircase. Overlaid on the left side of the image is white text. On the right side, there is a white login form with a blue 'Log in' button and a link for forgotten credentials.

The University of Jordan E-Learning Portal

The e-learning system reflects the university vision where it envisions an environment where the use of Information and Communication Technology is regarded as an essential part of our everyday practices and administration management. It recognizes the potential of e-learning to impact on learning outcomes for all students and the work habits of all staff.
